Assessment Methodology:

1. Internal Assessment:

- a. Internal Test – 10 marks
- b. Assignment – 5 marks
- c. Seminar based on assignments – 5marks

2. External Assessment:

- a. End Semester Examination – 80 marks

Internal Assignment/ Written Submission Breakup (5 Marks)

- Research Methodology adopted, Content of the project -02 marks

- Identification & Critical analysis of the issue - 02 marks
- Conclusion & overall suggestions along with other resources - 01 marks

Submission Guidelines: The project assignments should not exceed 15 pages or 8000 words (excluding References) and should be based on the students understanding, critical analysis, conclusion & concrete suggestions if any in the candidates own words. Footnotes are preferred in the projects rather than endnotes. The Caselaws or judgments (passages/quotes from the judgements) should be avoided in the projects. It is necessary for the student to have a separate title as Research Methodology where the literature review, research question, hypothesis, limitation etc. should be made note of. An Empirical study would have a value addition to the project. Assignments have to be submitted within the deadline as prescribed by the course faculty.

Important Note: All Assignments would be subject to plagiarism check. Any malpractice in the assignments would not be accepted & would adversely reflect on the final submission & evaluation.

Project Consultation:

1. Students can submit the synopsis (through email **ONLY**) of the topic well in advance in writing to the course faculty to develop their research topic in a structured manner.
2. Students can consult the course faculty for the project in case of any queries or discussion on their research topic.
