

POST GRADUATE DIPLOMA IN CYBER LAW & IT LAW **Under Karnataka State Law University, Hubballi**

Ramaiah College of Law invites Application for its Flagship Programme - PG Diploma in Cyber Law & IT Law

COURSE OBJECTIVES

New Communication and Digital Technology have made dramatic changes in the way we live. Information stored in electronic form has many advantages, cheaper and easier to store and retrieve and speedier to communicate. At present many legal provisions assume the existence of paper based records and documents that must bear signatures. Computers, mobile phones and the internet have invaded the world and these technological devices have made profound impact on human. Advancement in technology has brought some problems and disadvantages along with its positive impact and it has posed challenge to all legal systems in the world. Thus, as the need of the hour the legal fraternity has evolved new domain of law called **“Cyber Law”** or **“Information Technology Law”**.

The mode of communication, interaction, acquisition of information, knowledge, doing business, banking and entertainment have all gone a sea change due to information technology in the era of globalization. As most human activities are part of computer and mobile network many traditional crimes have also changed their *modus operandi* and certain new crimes have come into existence. In this regard, this course is to provide information and knowledge on Cyber Laws & Cybercrimes.
